

## INDUSTRY PARTNERSHIPS AND CSR

CSR training partner BESTT trained 63 candidates under online training module and assessment during lockdown. 25 candidates (trained earlier) were placed, out of which 10 are women, who will join post lockdown.

## MARKET ANALYTICS

The chart shown above is based on an analysis of a database of trainees under PMKVY (Short-Term Training) as of 3rd February, 2020. Out of 33.6 lakh candidates who were trained, the assessment results (Pass/Fail/Not Appeared) of 32.8 lakh candidates were reported in SDMS, and 15.3 lakh were placed.

Does a positive ("pass") assessment result offer an edge in terms of placement?

96% of the placed candidates passed their assessment test, while the figure for candidates who were not reported placed is 21 percentage points lower (75%). Additionally, there is a difference of 13 percentage points for failed candidates

## KEY HIGHLIGHTS

- 1 ₹ 30 Cr disbursed to 21 TPs via TP First loan, a short term line of credit for mitigating the business impact of COVID-19
- 2 Under the Skill Harmonisation Framework with Ministry of Human Resources & Emiratization, UAE and Abu Dhabi Quality and Conformity Council, 63 candidates received offer letters. First set of 18 certified candidates travelled to UAE on incentivized work permits.
- 3 First set of 100 candidates were issued joint certification under engagement with Takamol Holding, Ministry of Labour & Social Development, Kingdom of Saudi Arabia
- 4 NSDC has partnered with British Council in enhancing English skills for our youth using their English Score Application. More than 1,00,000 free assessment and certifications are being provided.
- 5 15 lakh+ entries received for the NSDC-Britannia initiative to eSkill 10,000 homemakers on digital and entrepreneurial skills.
- 6 An additional section on COVID-19 has been added to eSkill India portal with an objective of increasing awareness and creating access to online training on courses pertaining to COVID-19.
- 7 NSDC won a contract for Consultant's Services, with the Government of the Republic of Maldives. As part of the MEERY project (The Maldives Enhancing Employability and Resilience of Youth), implemented by the Ministry of Higher Education (MoHE), the project aims at skills development and entrepreneurship in some of their priority sectors, and has recruited NSDC to prepare National Skills Development Master Plan (NSDMP) to support the Technical and Vocational Education and Training (TVET) system in the Maldives. The duration of the assignment is 3 months and shall commence from May 2020.
