Skilled Workers Arrival Database for Employment Support (SWADES) was launched by GoI with the aim of mapping skills of overseas returning citizens through Vande Bharat Mission. Under SWADES, a database of qualified citizens is created based on their skills and experience to tap into and fulfil demand of Indian and foreign companies.

Female placement rate is higher than for males in 13 of the top 15 states (which account for 86% of trainings). Share of females in training is >50% in only 5 of the 15 largest states – Tamil Nadu, Delhi, Punjab, Jammu & Kashmir, Telangana – and that in placements is >50% in 7 out of the top 15 states (Haryana and MP, in addition to the above 5).
