SKILL DEVELOPMENT PRIORITY INDEX

Identifying Priority States and Clusters Across India

TABLE OF CONTENTS

Introduction, Approach and Data Sources	3
Index – Composition	4- 8
State-level Results	9 - 18
Annexure: State-level Result Tables	19- 29
Annexure: Cluster-level Results (Maps & Tables)	30 - 56

PREFACE

Technical and Vocational Education and Training (TVET) is expected to address multiple demands of an economic and social nature by helping youth and adults develop the skills they need for employment, decent work and entrepreneurship. For a country as large and diverse as India, the optimal strategy for intervening needs to be tailored to local needs. To this effect, it is imperative to identify critical areas for improvement and conduct need assessments for TVET at a sub-national level. Identifying priority regions can help in targeting resources to those areas where the requirements are relatively critical. Therefore, the objective of this study is to identify priority states and clusters in India with respect to the need for skill development interventions. Various indicators are used to identify priority regions based on secondary data available. **Overall results at the state-level show that the top 5 priority states are – Uttar Pradesh, Maharashtra, West Bengal, Gujarat and Tamil Nadu.**

INTRODUCTION

Objective

To identify priority states and clusters with respect to the need for skill development interventions

Approach

Priority states and clusters are identified based on four indices – Population Index, Industry Index, Labour Supply Index, School and Vocational Education Index. The approach is to first calculate the values of this set of indices and then aggregate them to estimate the value of the priority index across regions. Before aggregating, the values calculated at each step are scaled such that they remain between 0 and 100. A higher value for a region indicates a higher priority for skill development interventions. Calculations have been conducted at the cluster-level and at the state-level. Here clusters correspond to the 88 National Sample Survey (NSS) regions as defined by National Statistical Office, Ministry of Statistics and Programme Implementation (MoSPI).

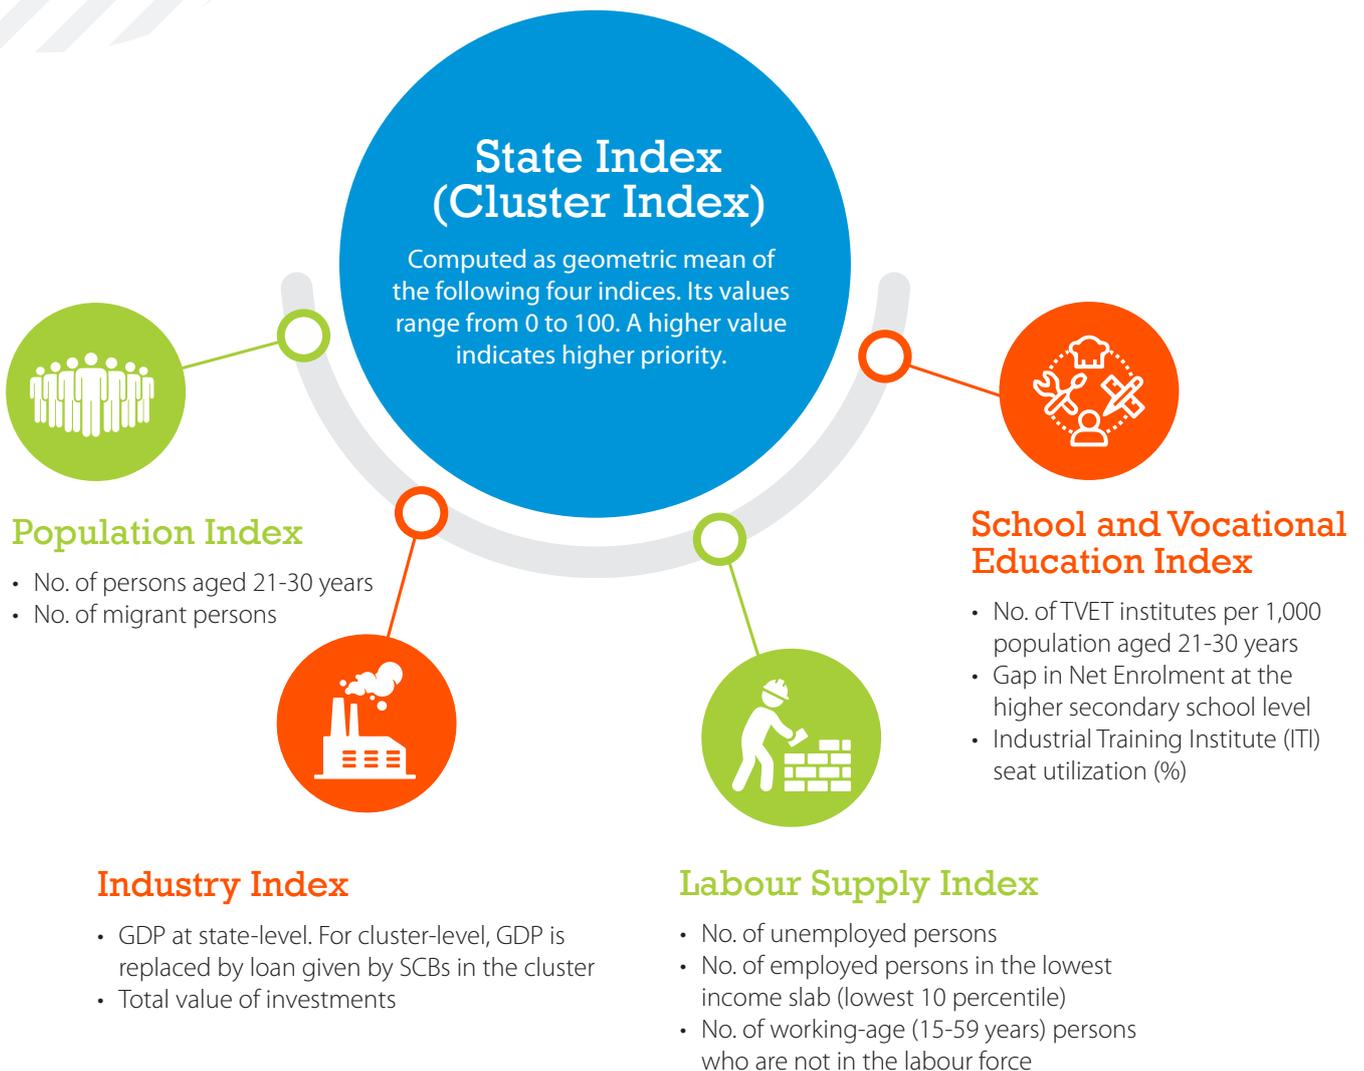

Data Sources

(as of latest available date)

- Periodic Labour Force Survey (PLFS) 2018-19, MoSPI, Government of India
- RBI data (2019-20 Q4) on Bank Credit of Scheduled Commercial Banks (SCBs)
- State Gross Domestic Product (GDP) 2018-19 (at constant 2011 prices, updated on Feb 1st, 2021), Ministry of Statistics and Programme Implementation, Government of India
- Census 2011, Ministry of Home Affairs, Government of India
- CapEx Database (2017-19), Centre for Monitoring Indian Economy (CMIE)
- Unified District Information System for Education (UDISE) 2018-19, Department of School Education & Literacy, Ministry of Human Resource Development, Government of India
- National Council for Vocational Training - Management Information System (NCVT-MIS) (downloaded in June 2020), Ministry of Skill Development and Entrepreneurship, Government of India
- NSDC data on Skill Management & Accreditation of Training Centres (SMART) (May 2020)

COMPOSITION OF PRIORITY INDEX

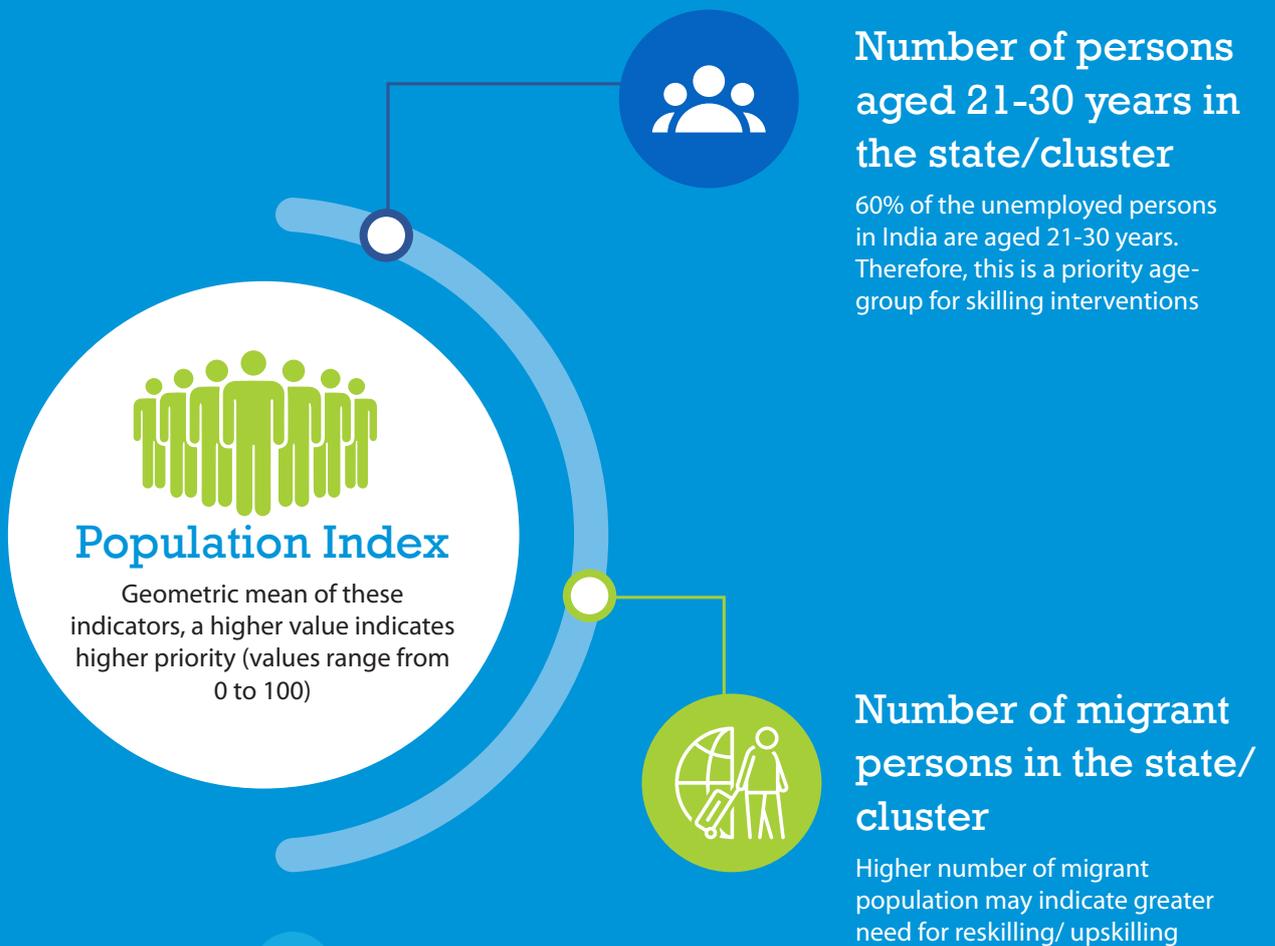

$$\text{Index} = \left(\frac{\text{Value} - \text{Minimum}}{\text{Maximum} - \text{Minimum}} \right) * 100$$

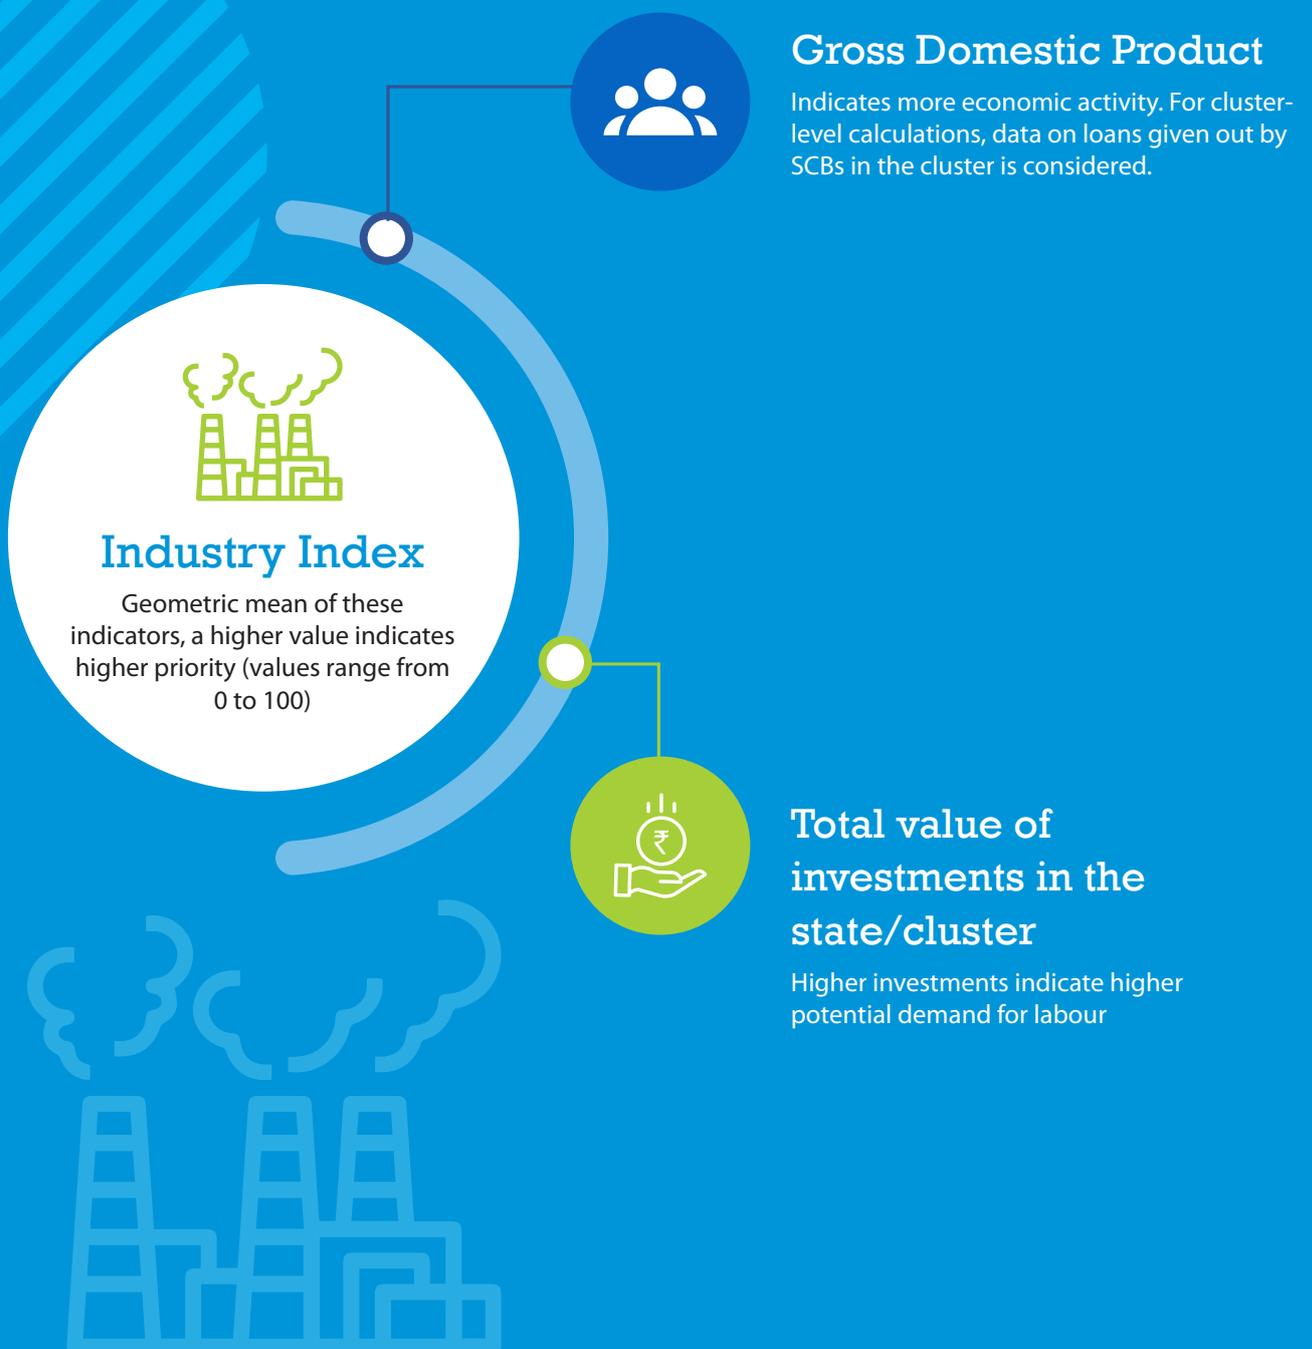

Maximum and minimum values correspond to observed maximum and minimum values across states (or clusters)

Value of all indices range between 0 and 100, wherein a higher index value corresponds to higher priority

POPULATION INDEX

INDUSTRY INDEX

LABOUR SUPPLY INDEX

Number of unemployed persons in the state/cluster

Priority segment who may need skilling

Labour Supply Index

Geometric mean of these indicators, a higher value indicates higher priority (values range from 0 to 100)

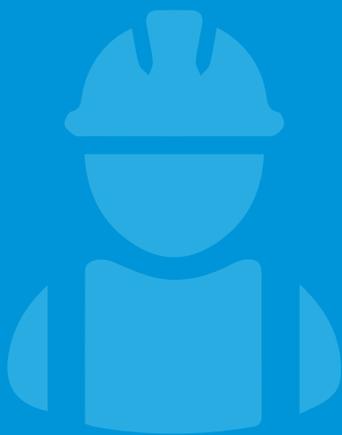

Number of persons who are not in the labour force in the state/cluster

Indicates the segment of population that may need skilling to enter the labour force (persons aged 15 to 59 years)

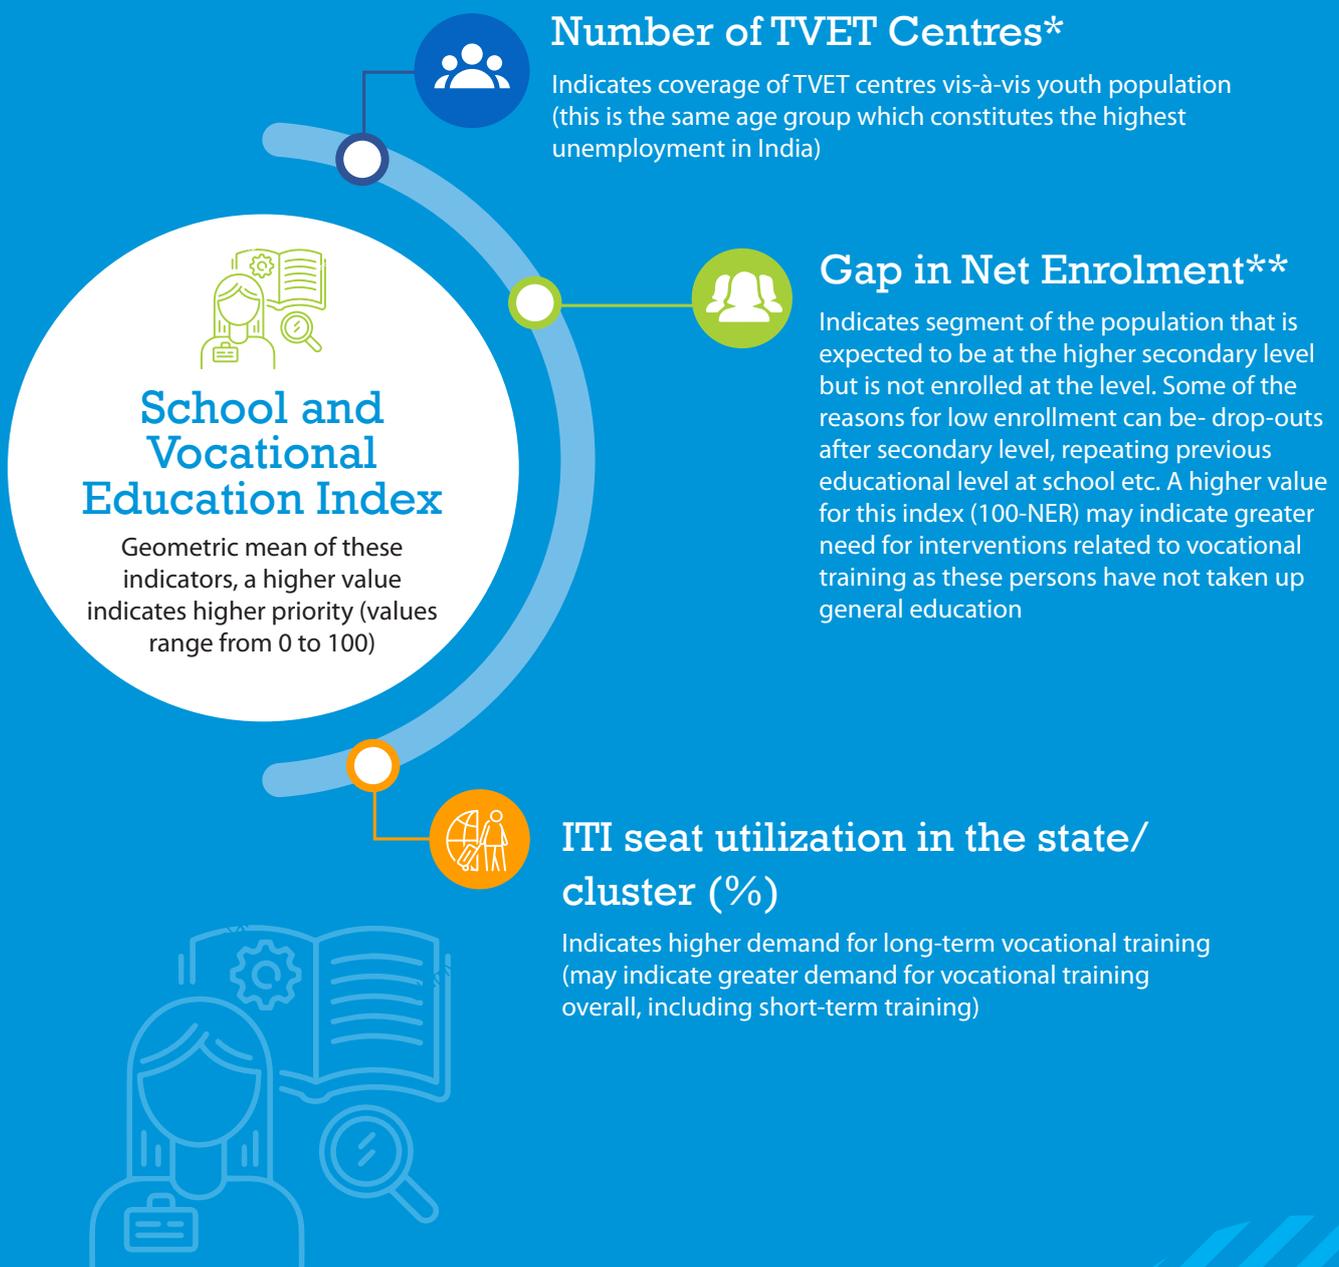

Number of employed persons in the lowest income slab (lowest 10th percentile among employed persons with income > 0)

Indicates priority segment (employed persons with low income) who need upskilling/ reskilling

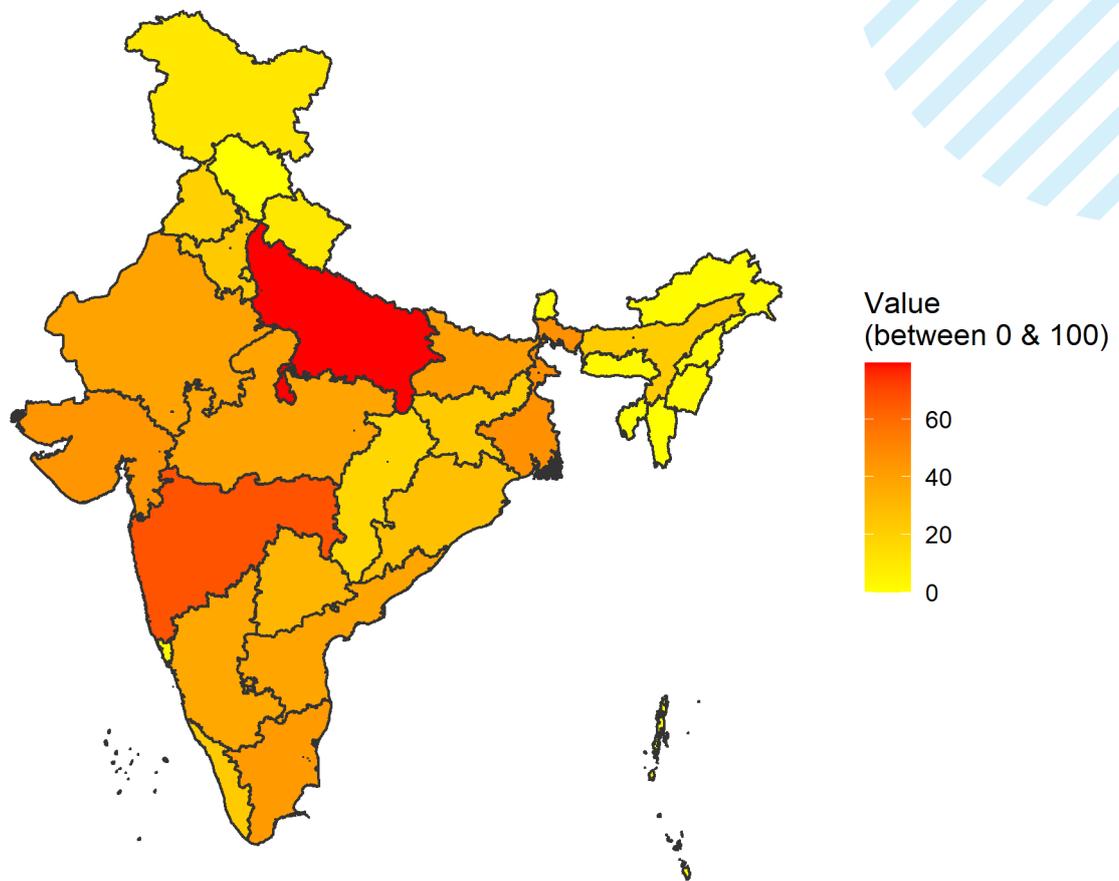

SCHOOL AND VOCATIONAL EDUCATION INDEX

* 100 minus (Number of TVET institutes (ITIs & SMART accredited centres) in the state/cluster per 1,000 population aged 21-30 years in the state/cluster: expressed as a percentage)

** 100 minus Net Enrolment Ratio (NER) at the higher secondary level in the state / cluster

SKILL DEVELOPMENT PRIORITY INDEX - RESULTS

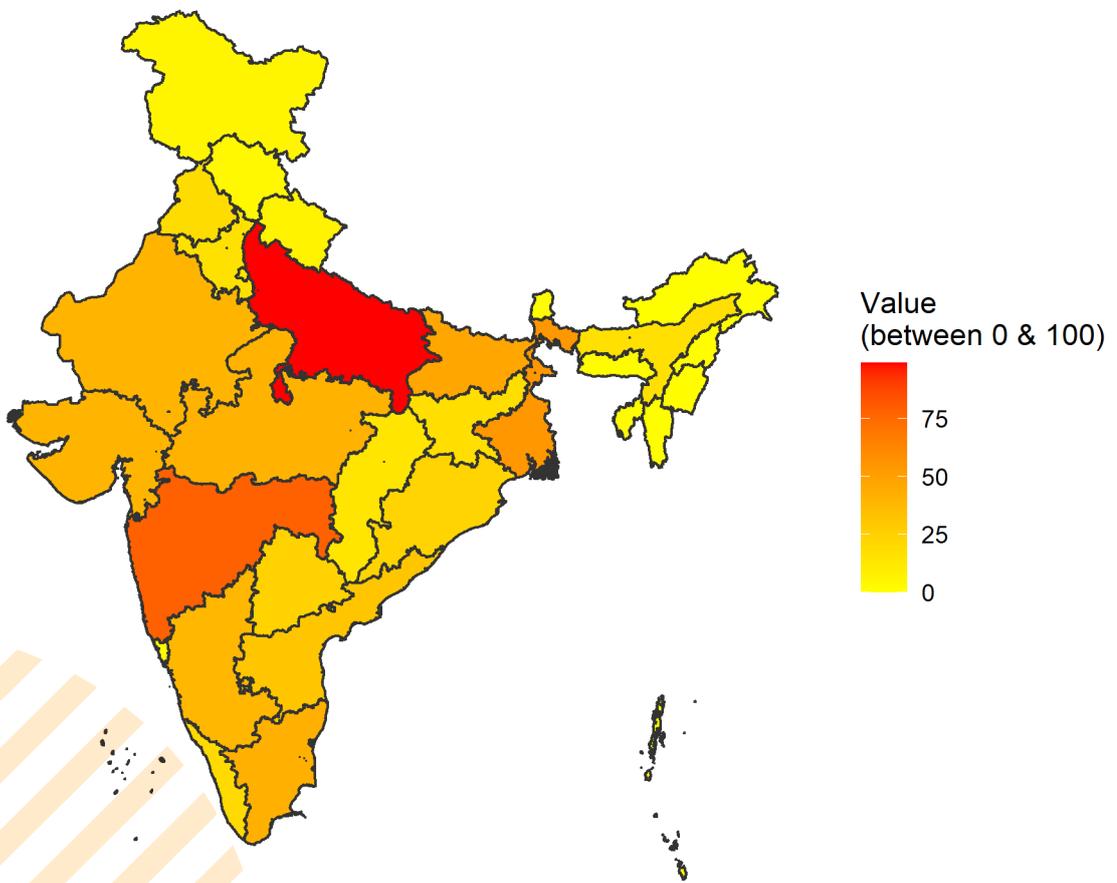

Red colour shows higher priority

Top 5 States	Index
Uttar Pradesh	79.60
Maharashtra	67.13
West Bengal	46.60
Gujarat	44.55
Tamil Nadu	42.41

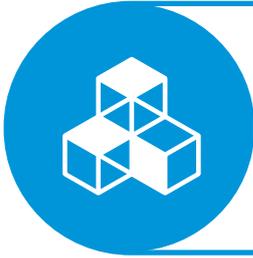

POPULATION INDEX - RESULTS

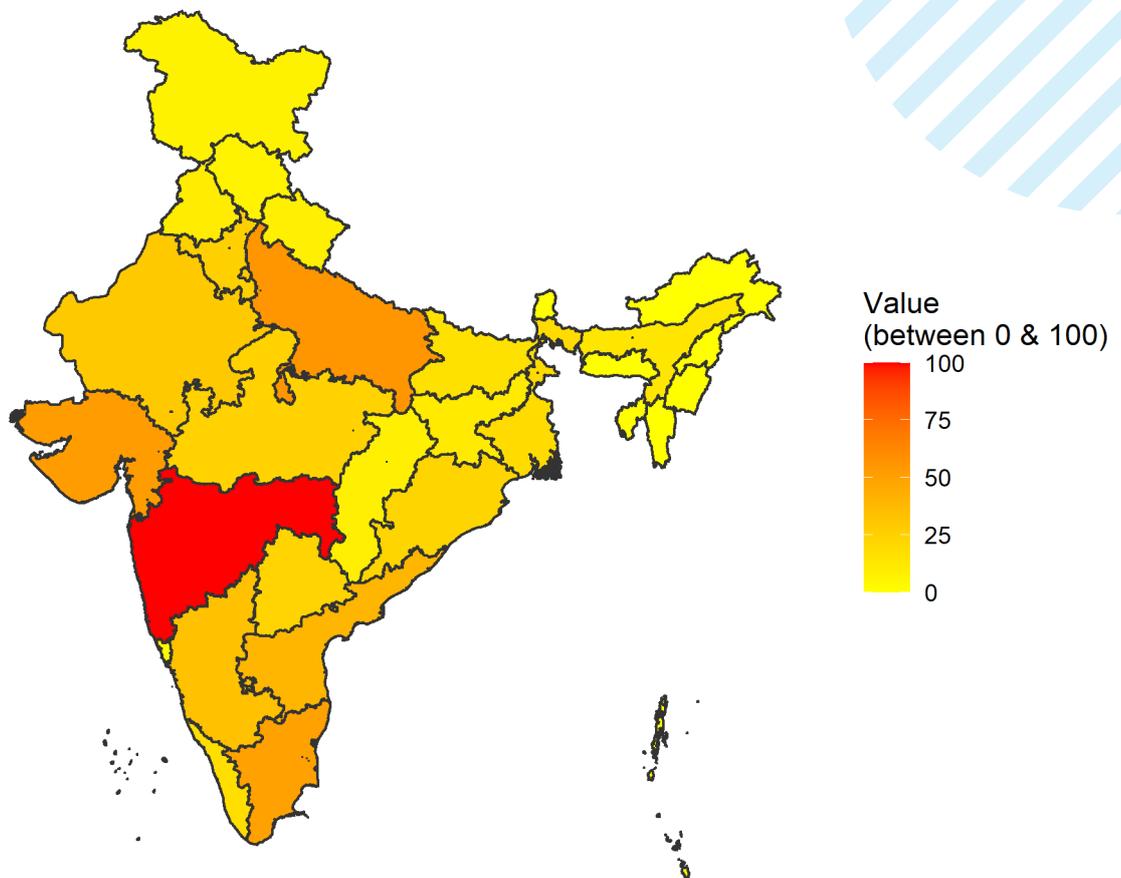

Red colour shows higher priority

Top 5 States	Population Index
Uttar Pradesh	99.19
Maharashtra	78.53
West Bengal	54.86
Bihar	47.41
Tamil Nadu	42.38

INDUSTRY INDEX - RESULTS

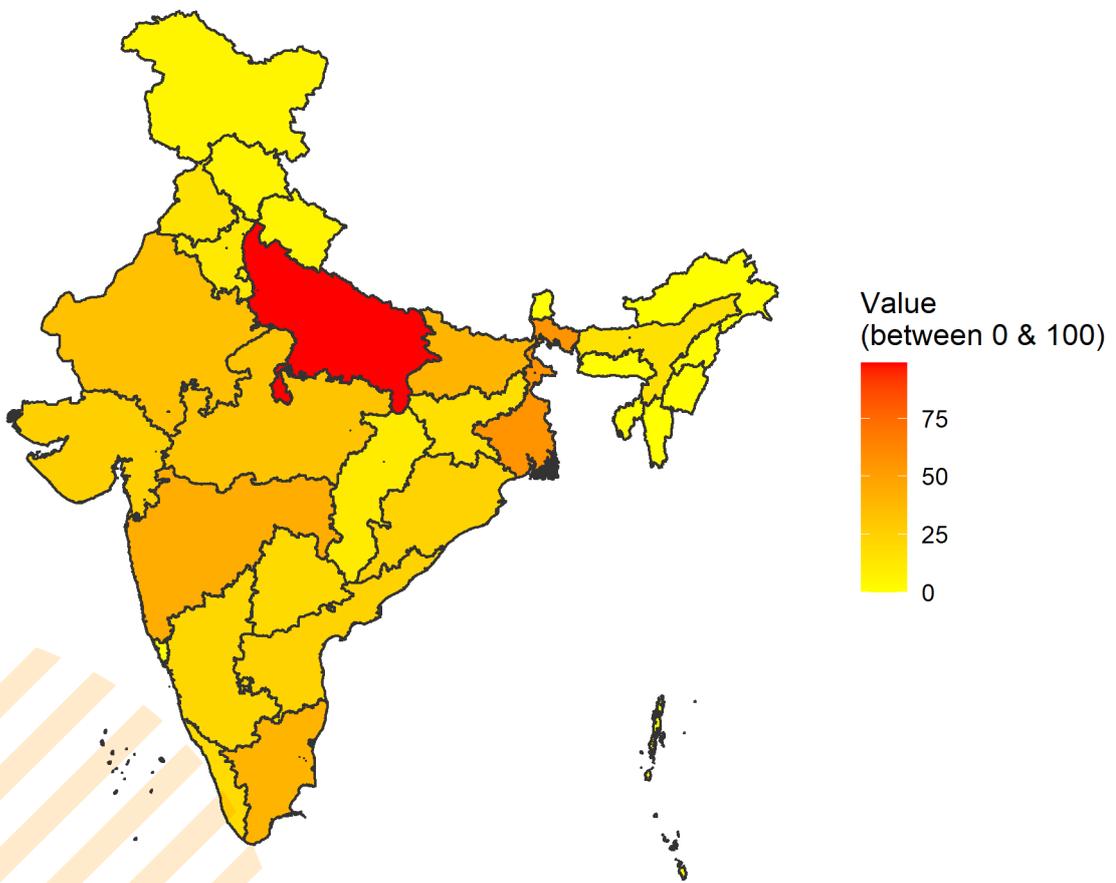

Red colour shows higher priority

Top 5 States	Industry Index
Maharashtra	100.00
Uttar Pradesh	55.69
Gujarat	52.97
Tamil Nadu	50.23
Andhra Pradesh	39.66

LABOUR SUPPLY INDEX - RESULTS

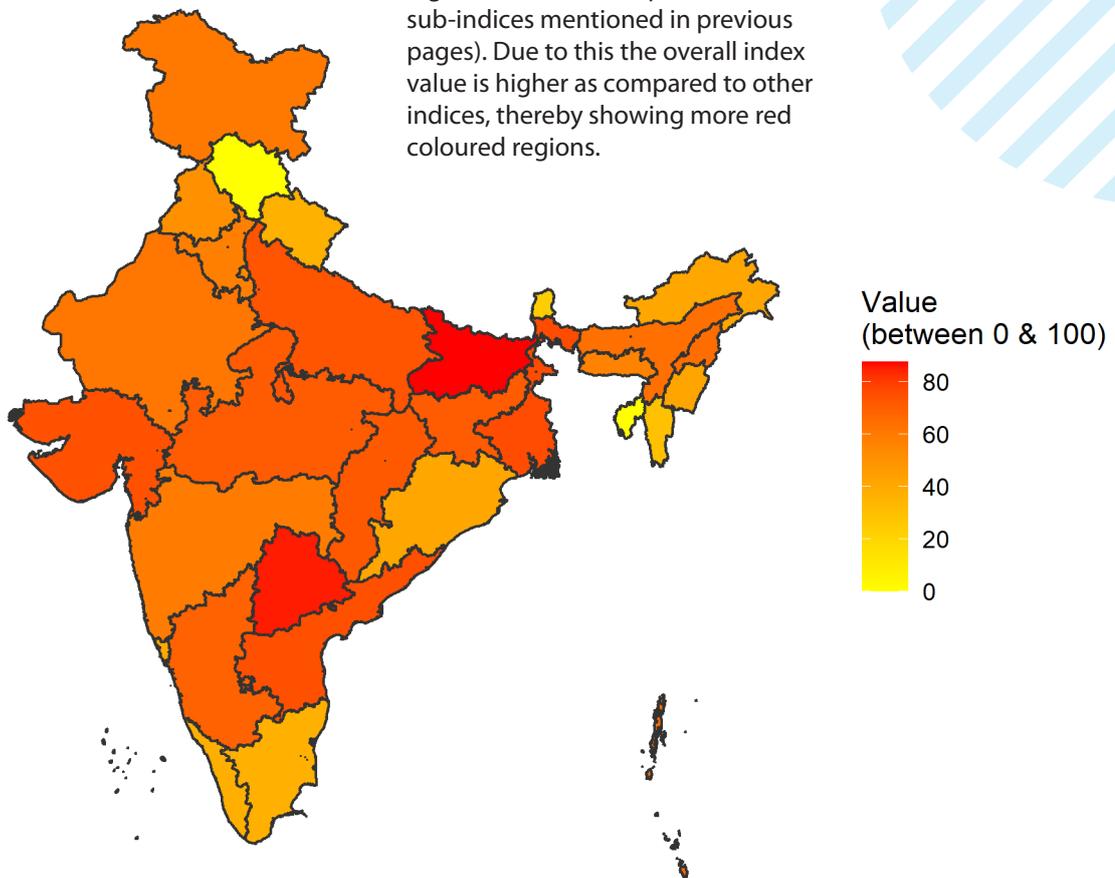

Red colour shows higher priority

Top 5 States	Labour Supply Index
Uttar Pradesh	98.95
West Bengal	56.78
Maharashtra	43.54
Tamil Nadu	40.00
Bihar	39.78

SCHOOL AND VOCATIONAL EDUCATION INDEX - RESULTS

The sub-indices calculated here as percentage values show relatively higher values (as compared to sub-indices mentioned in previous pages). Due to this the overall index value is higher as compared to other indices, thereby showing more red coloured regions.

Red colour shows higher priority

Top 5 States	School & Vocational Education Index
Bihar	87.52
Telangana	85.41
West Bengal	75.92
Andhra Pradesh	74.77
Gujarat	74.42

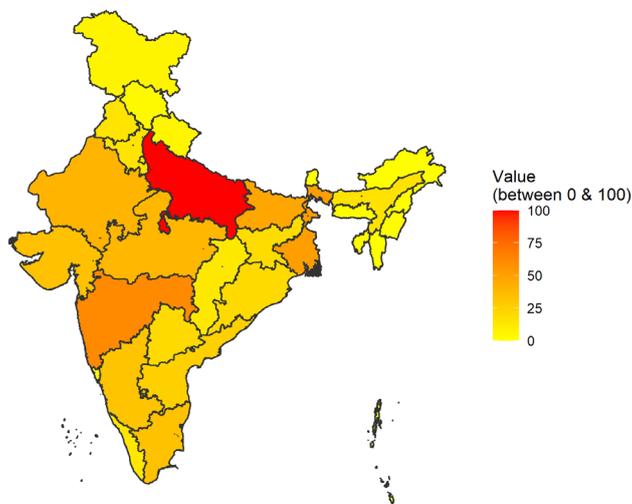

SUB-INDICES

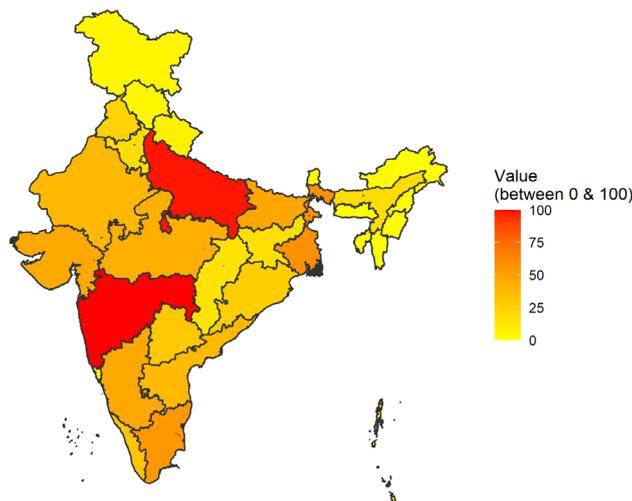

SUB-INDICES – POPULATION

Skill Development Priority Index - Youth Population

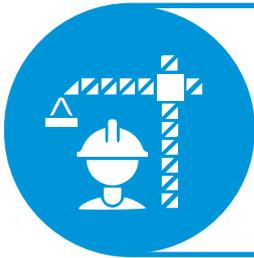

Skill Development Priority Index - Migrant Population

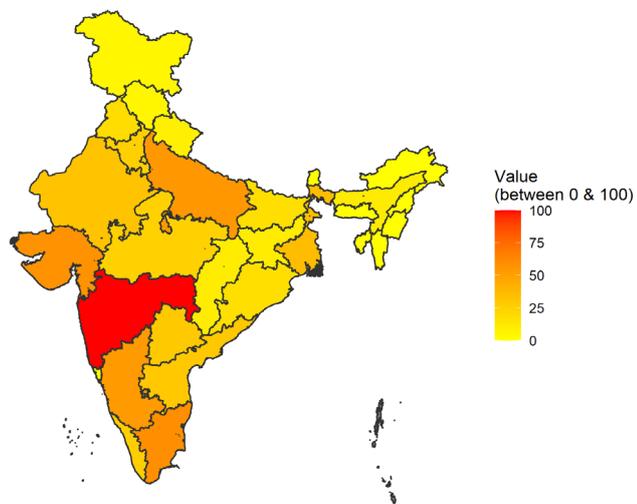

Red colour shows higher priority

Data on migration is not available in Census 2011 for the state of Telangana. Therefore, the same was calculated by aggregating data on migration for 10 districts which were carved out of Andhra Pradesh initially to form the state of Telangana. These 10 districts include - Adilabad, Hyderabad, Karimnagar, Khammam, Mahbubnagar, Medak, Nalgonda, Nizamabad, Rangareddy and Warangal. This data, however, does not capture more recent reorganization of districts in Telangana.

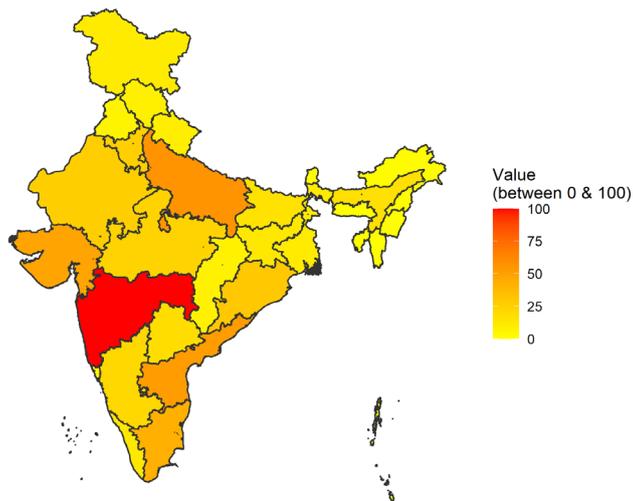

SUB-INDICES – INDUSTRY

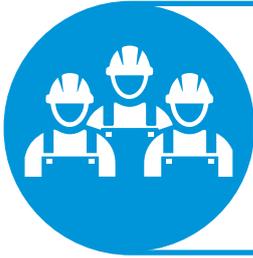

Skill Development Priority Index - GDP

Skill Development Priority Index - Investment

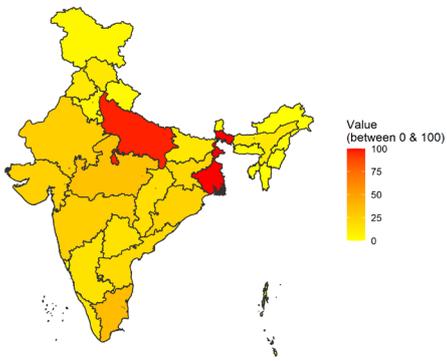

Red colour shows higher priority

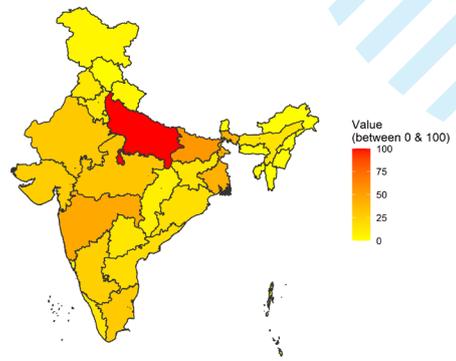

SUB-INDICES – LABOUR SUPPLY

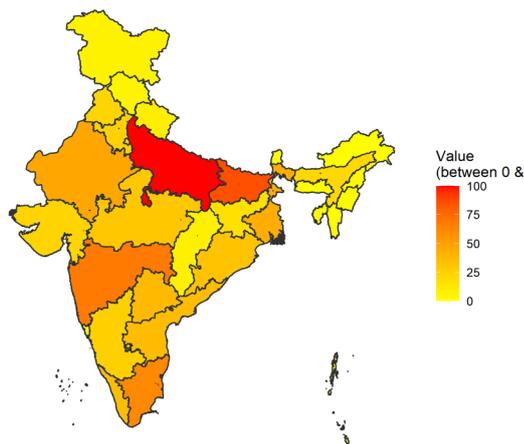

Skill Development Priority Index -
Employed Persons with Low Income

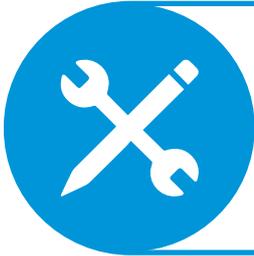

Skill Development Priority Index -
Persons not in Labour force

Skill Development Priority Index - Unemployed Persons

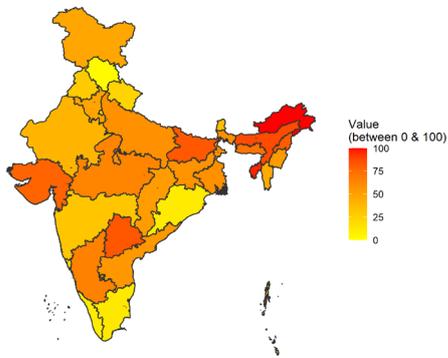

Red colour shows higher priority

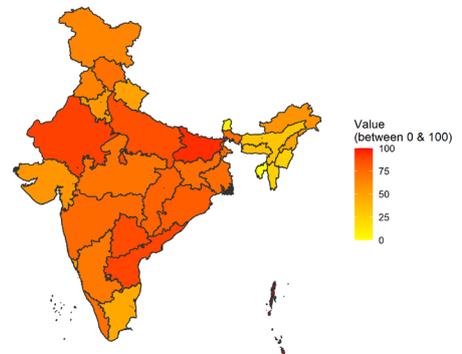

SUB-INDICES – SCHOOL AND VOCATIONAL EDUCATION INDEX

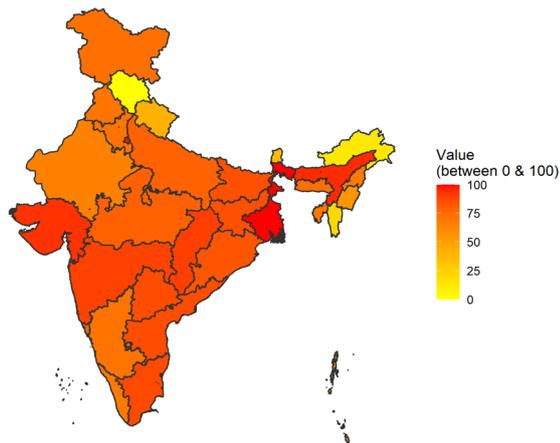

Skill Development Priority Index -
Gap in Net Enrolment at Higher Secondary Level

Skill Development Priority Index -
ITI Seat Utilization

Skill Development Priority Index - Number of TVET Centres

Red colour shows higher priority

ANNEXURE

State-Level Results - Tables

SKILL DEVELOPMENT PRIORITY INDEX - RESULTS

State	Skill Development Priority Index	Population Index	Industry Index	Labour Supply Index	School and Vocational Education Index

CLUSTER-LEVEL RESULTS – MAPS & TABLES

CLUSTER INDEX - RESULTS

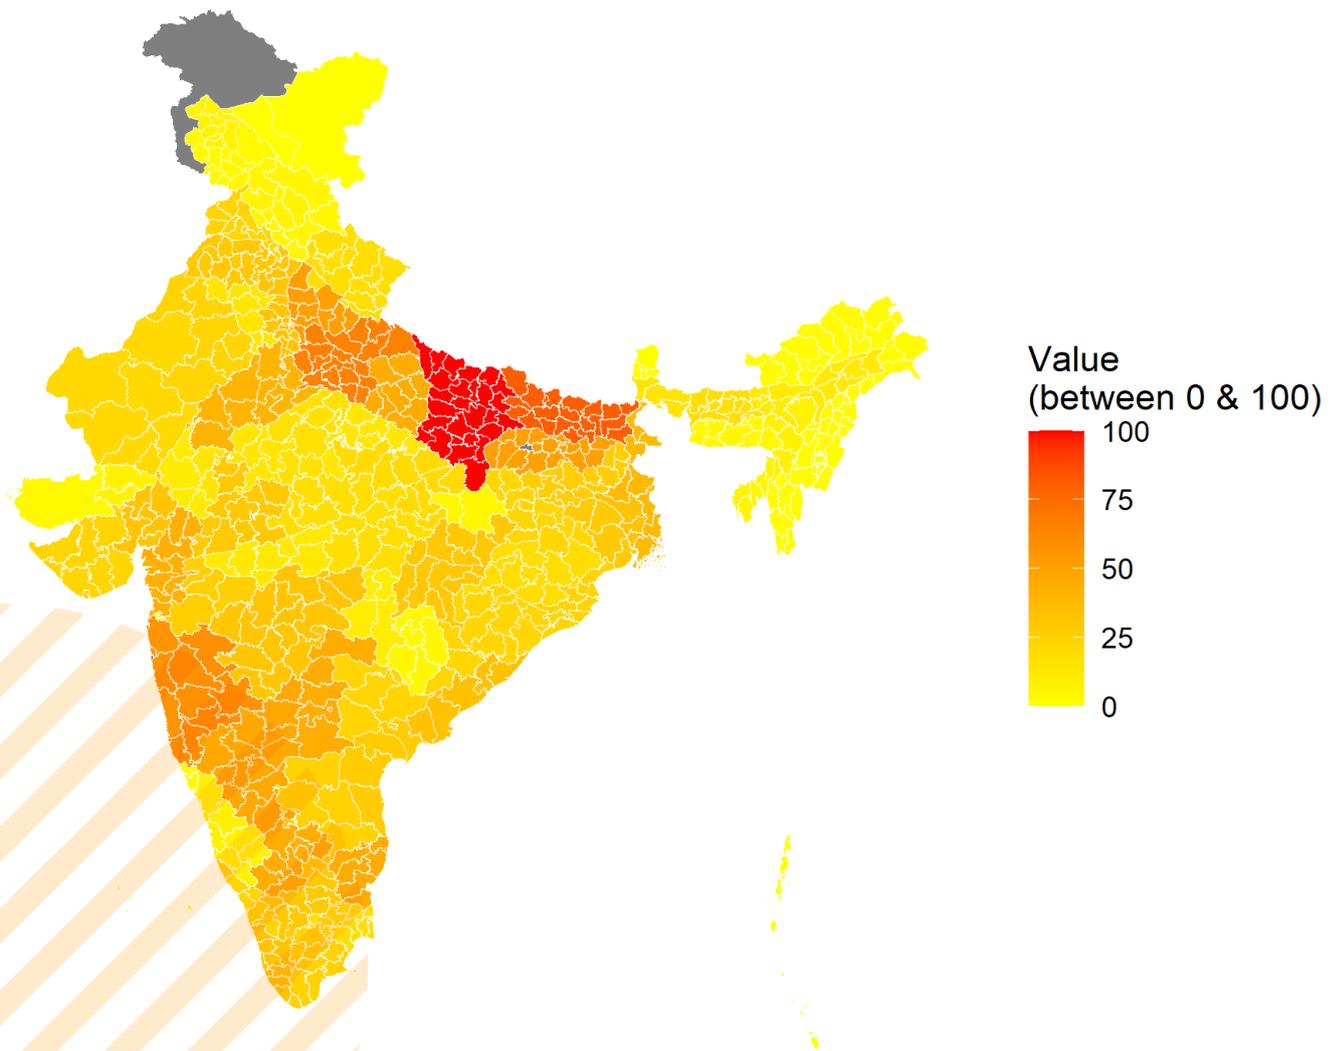

Red colour shows higher priority

Regions shown in grey colour correspond to those for which data was not available. Regions where NSS cluster classification was not available, state-level values are shown, considering the entire state as one region.

Top 5 Clusters	Index
Eastern - Uttar Pradesh	58.57
Coastal - Maharashtra	52.98
Coastal Northern - Tamil Nadu	46.23
Northern - Bihar	44.77
Inland North Western - Telangana	43.50

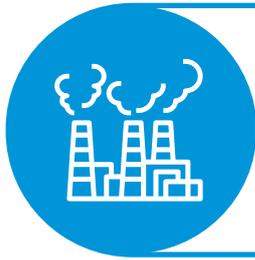

POPULATION INDEX - RESULTS

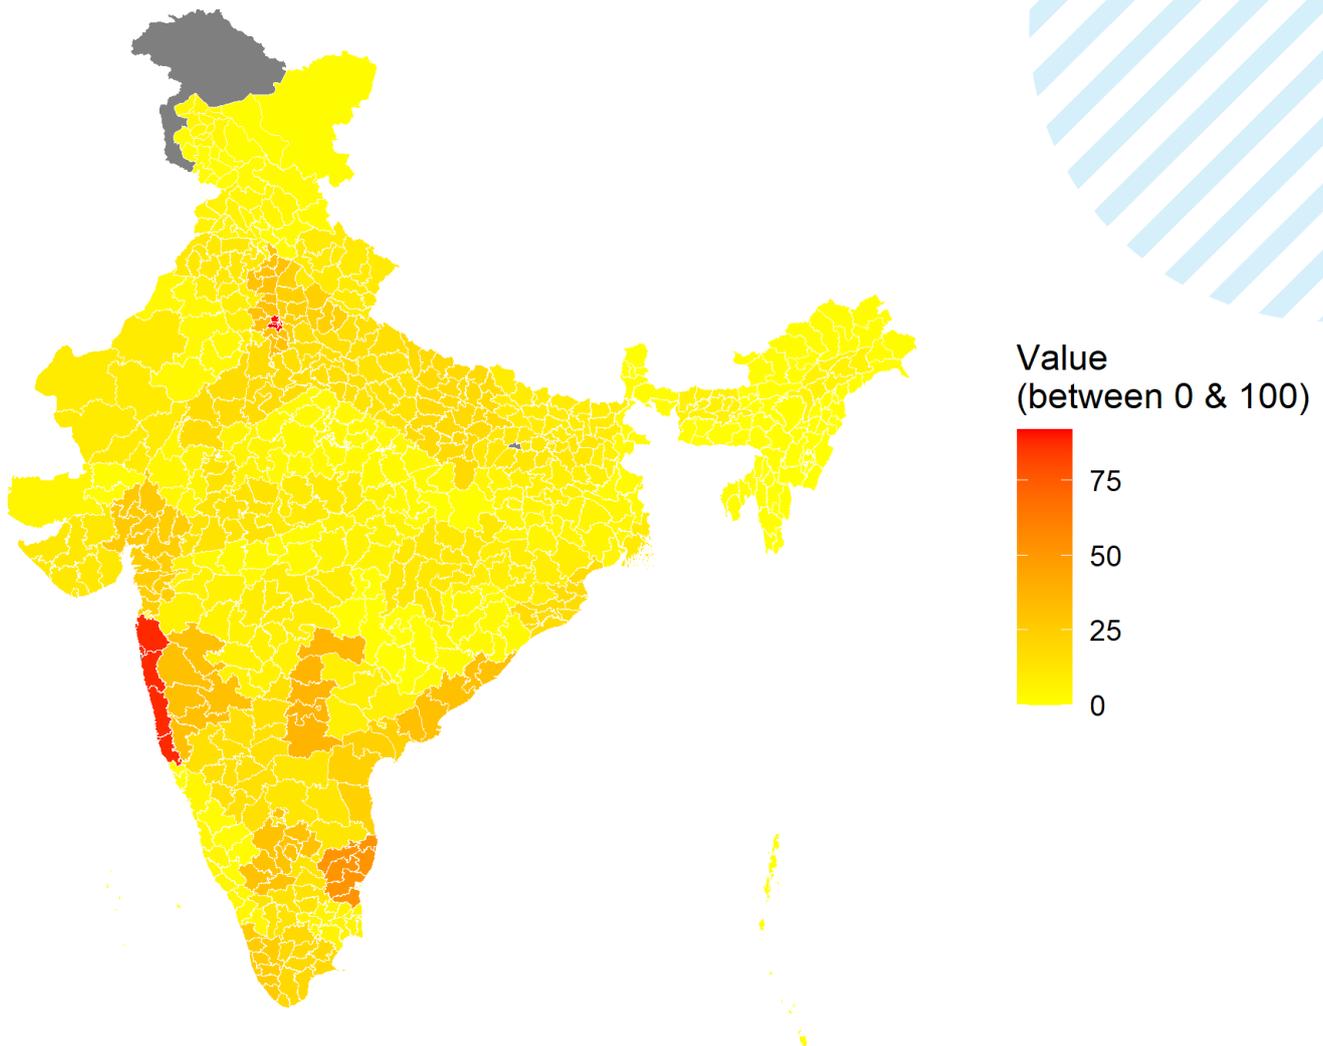

Red colour shows higher priority

Regions shown in grey colour correspond to those for which data was not available. Regions where NSS cluster classification was not available, state-level values are shown, considering the entire state as one region.

Top 5 Clusters	Population Index
Eastern - Uttar Pradesh	100.00
Northern - Bihar	80.18
Southern Upper Ganga Plains - Uttar Pradesh	65.71
Inland Western - Maharashtra	58.60
Coastal - Maharashtra	56.55

INDUSTRY INDEX - RESULTS

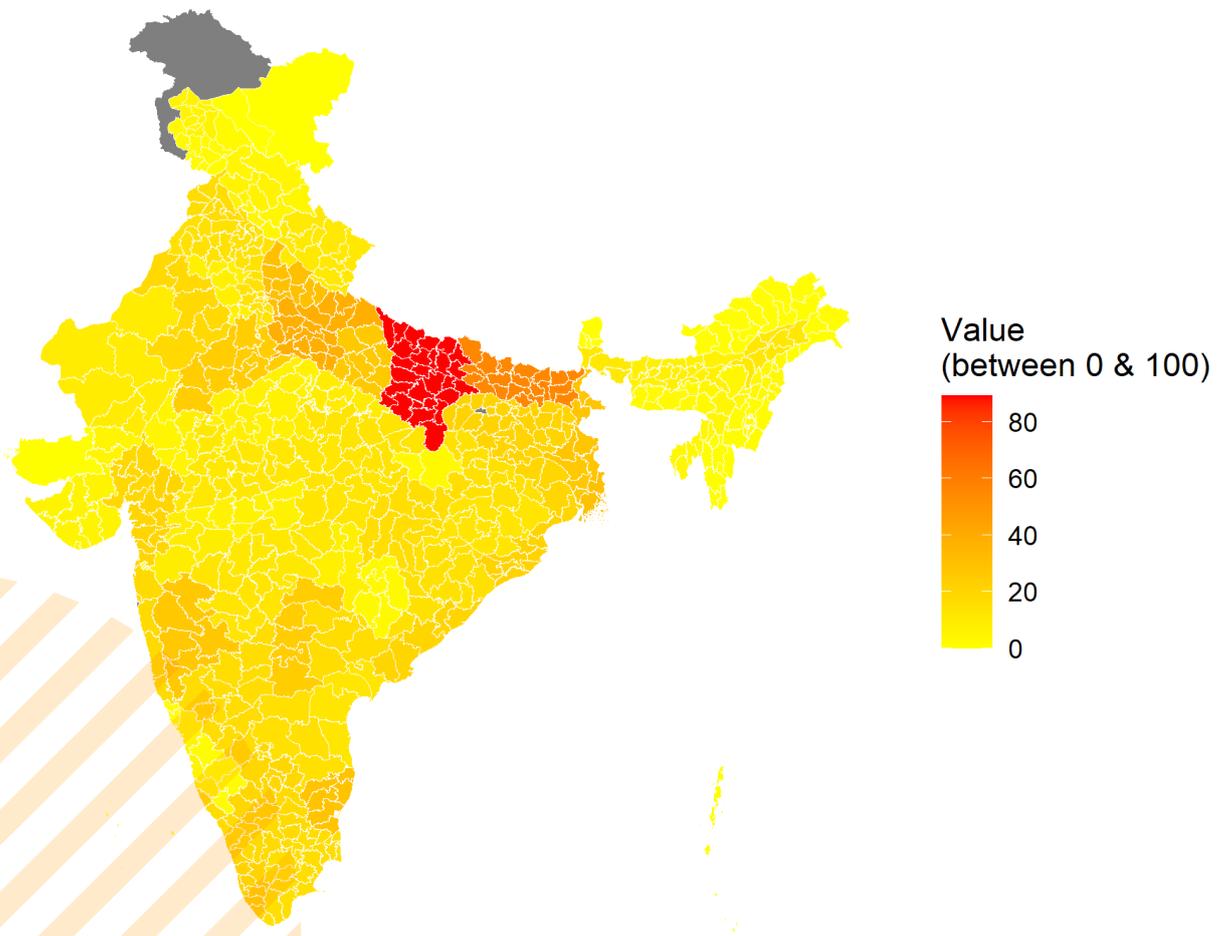

Red colour shows higher priority

Regions shown in grey colour correspond to those for which data was not available. Regions where NSS cluster classification was not available, state-level values are shown, considering the entire state as one region.

Top 5 Clusters	Industry Index
Delhi – NCT of Delhi	91.99
Coastal – Maharashtra	87.92
Coastal Northern – Tamil Nadu	52.11
Inland North Western – Telangana	37.45
Inland Western – Maharashtra	31.63

LABOUR SUPPLY INDEX - RESULTS

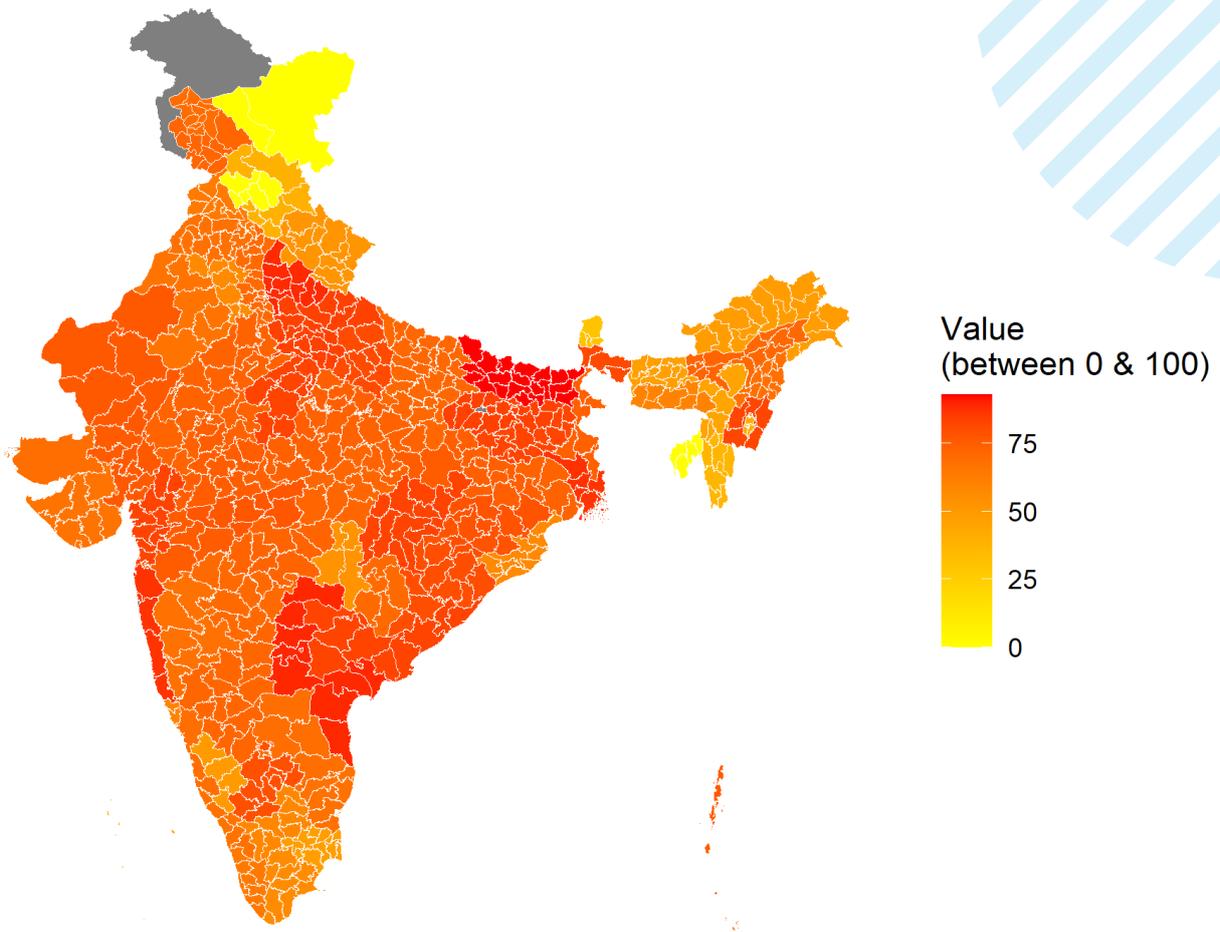

Red colour shows higher priority

Regions shown in grey colour correspond to those for which data was not available. Regions where NSS cluster classification was not available, state-level values are shown, considering the entire state as one region.

Top 5 Clusters	Labour Supply Index
Eastern – Uttar Pradesh	89.26
Northern – Bihar	55.92
Southern Upper Ganga Plains – Uttar Pradesh	38.63
Northern Upper Ganga Plains – Uttar Pradesh	30.64
Southern Plains – West Bengal	30.34

SCHOOL AND VOCATIONAL EDUCATION INDEX - RESULTS

Red colour shows higher priority

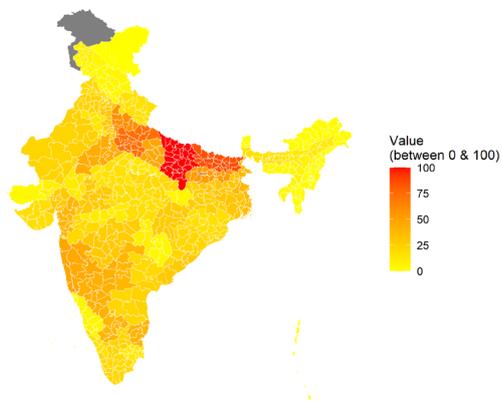

Regions shown in grey colour correspond to those for which data was not available. Regions where NSS cluster classification was not available, state-level values are shown, considering the entire state as one region.

Top 5 Clusters	School & Vocational Education Index
Northern – Bihar	93.08
Inland North Western – Telangana	89.27
Coastal Southern – Andhra Pradesh	88.90
Northern Upper Ganga Plains – Uttar Pradesh	88.81
Central Plains – West Bengal	87.56

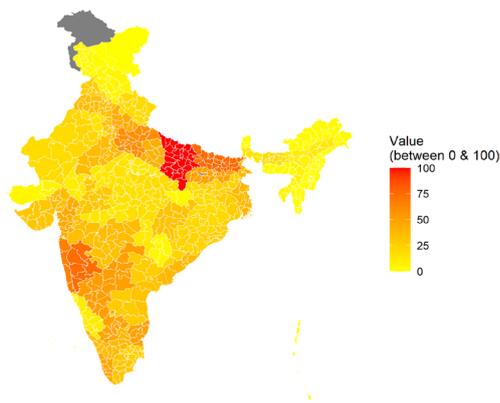

SUB-INDICES – POPULATION

Skill Development Priority Index - Youth Population

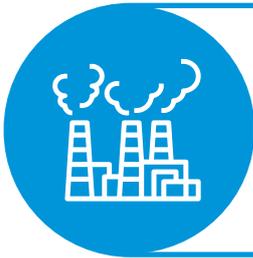

Skill Development Priority Index - Migrant Population

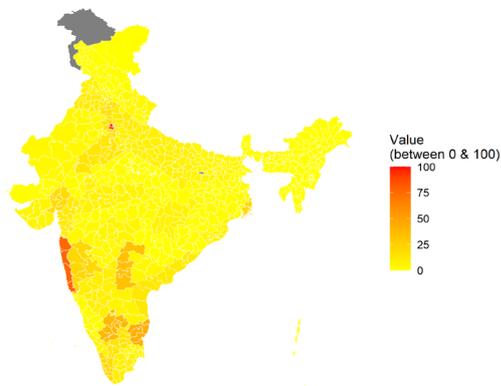

Red colour shows higher priority

Regions shown in grey colour correspond to those for which data was not available. Regions where classification was not available, state-level values are shown, considering the entire state as one region.

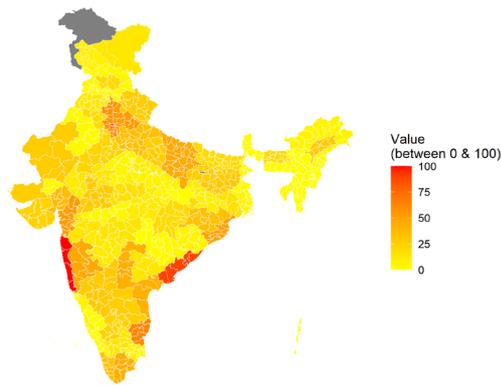

SUB-INDICES – INDUSTRY

Skill Development Priority Index - Credit

Skill Development Priority Index - Investment

Red colour shows higher priority

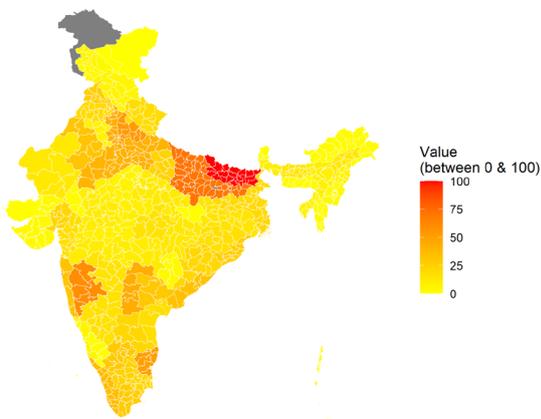

Clusters with higher GDP and higher investments are shown in red colour.

Regions shown in grey colour correspond to those for which data was not available. Regions where classification was not available, state-level values are shown, considering the entire state as one region.

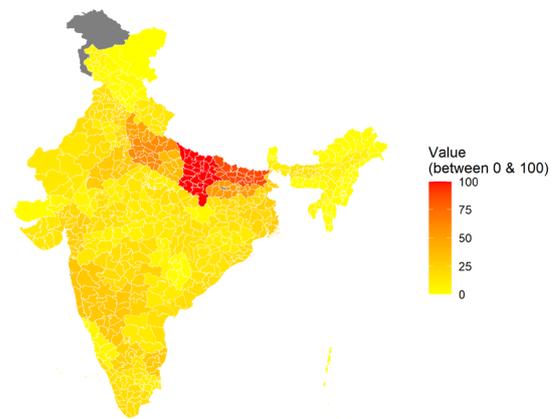

SUB-INDICES – LABOUR SUPPLY

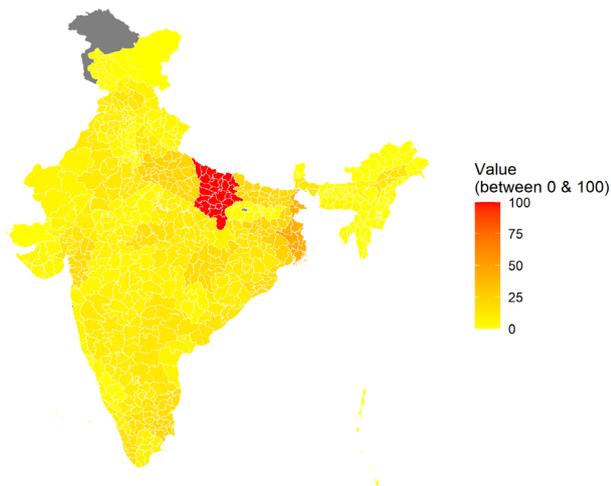

Skill Development Priority Index -
Unemployed Persons

Skill Development Priority Index -
Persons not in Labour Force

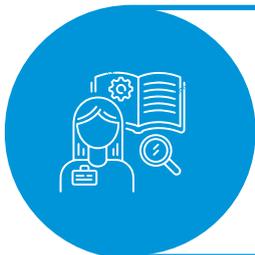

Skill Development Priority Index - Employed Persons with Low Income

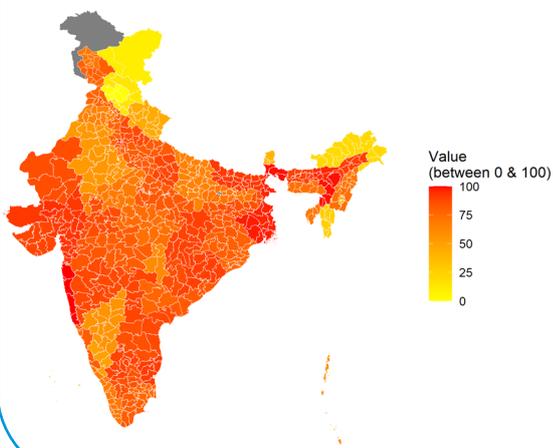

Red colour shows higher priority

Regions shown in grey colour correspond to those for which data was not available. Regions where classification was not available, state-level values are shown, considering the entire state as one region.

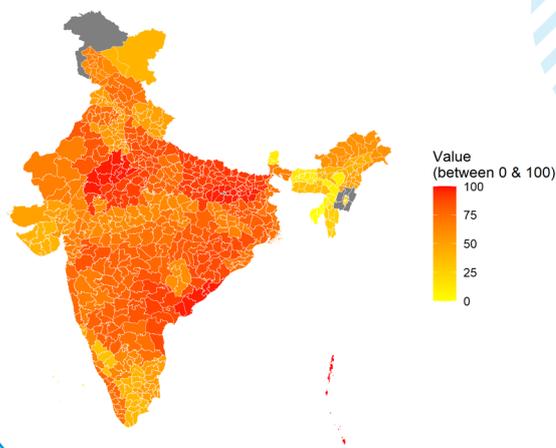

SUB-INDICES – SCHOOL AND VOCATIONAL EDUCATION INDEX

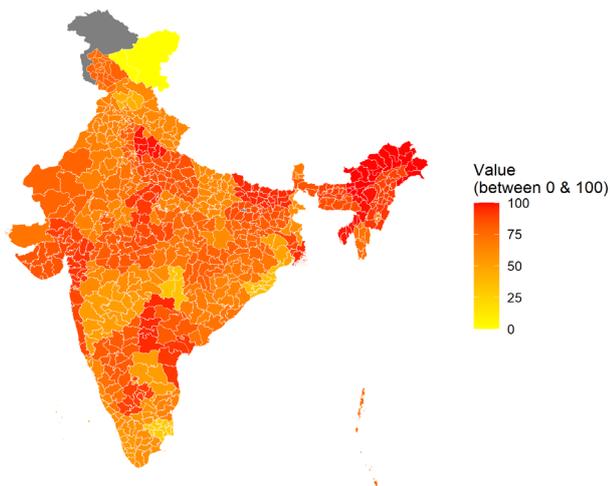

Skill Development Priority Index -
Number of TVET Centres

Skill Development Priority Index -
ITI Seat Utilization

Skill Development Priority Index - Gap in Net Enrolment at Higher Secondary Level

Red colour shows higher priority

Regions shown in grey colour correspond to those for which data was not available. Regions where classification was not available, state-level values are shown, considering the entire state as one region.

About National Skill Development Corporation (NSDC): National Skill Development Corporation, working under the aegis of Ministry of Skill Development & Entrepreneurship, is a unique public-private-partnership which aims to catalyse creation of quality vocational training ecosystem in India. The organisation provides funding to build scalable and profitable vocational training initiatives. Its mandate is also to enable support system which focuses on quality assurance, information systems and train-the-trainer academies either directly or through partnerships. Since establishment in 2009, NSDC has trained more than 3 crore people through its partnership with 700+ training partners, wide a robust network of 11,000+ training centres spread over 600 districts across the country. NSDC has institutionalized 36 Sector Skill Councils and is also implementing Government's flagship skill development schemes such as Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Pradhan Mantri Kaushal Kendra (PMKK), National Apprenticeship Promotion Scheme (NAPS), among others.
