INITIATIVES UNDER NSDF

KEY HIGHLIGHTS

1

Indian Institute of Skills Development (IISD), Mumbai is being developed by the MSDE along with NSDC under PPP model in partnership with **Tata Education Development Trust (TEDT)**. The foundation stone was laid by the Honorable Minister, at the NSTI campus in Mumbai

2

The '**Apprenticeship Pakhwada**', a 15-day cross-country event has been launched in collaboration with **22 organizations** to provide apprenticeship training to more than **2.5 lakh youth** in the country.

3

Google's new **Jobs initiative** has been launched at the **Google for India Event**, to help candidates build a credible profile, find and apply for jobs, and access skills training - all within the **Jobs spot in Google Pay**

4

63 candidates have been selected by the **United Arab Emirates employer NBTC Group** out of the demand for 100 candidates

5

A **Standards consultative workshop** with SSCs held to introduce assessment reforms and changes in the NSDC diligence processes. The priority areas were **gender mainstreaming, greening and softskills** in the next phase of QP-NOS development.
