

INDUSTRY PARTNERSHIPS AND CSR

MARKET ANALYTICS

- An analysis of trainee-level data for PMKVY-STT (data as of 3rd February 2020) shows that among those candidates who were eligible for assessment
 - 84.8% cleared the assessment test.
 - Passing percentage for female candidates was 87.2%, compared to 82.3% for males.
- Looking at the number of persons certified as a ratio of those who were assessed, it is seen that 11 of the largest sectors had a higher Certified to Assessed ratio for females than for males.
- The sectors where the ratio was lower for females were: IT-ITes, BFSI, Construction and Power

KEY HIGHLIGHTS

- Mr. Satoshi Suzuki, Ambassador of Japan to India visited the first TITP training centre in Northeast India located at Guwahati, Assam
- To ensure skill training continuity in the current Covid situation, online orientation session conducted for 250+ trainers enabling them to further conduct sessions from home for students
- NSDC-Britannia collaboration agreement signed and launched to skill 10k homepreneurs via online 'Enabling Women Entrepreneurs' course on the eSkill India portal
- Saylor Academy (USA) onboarded on eSkill India to provide high quality and global skilling opportunities from leading universities for free of cost to learners
